

Whiteley Woods Outdoor Activity Centre is a great place to get pupils and students out of the classroom and allow them to experience a host of different sports and activities in the great outdoors. Whether you're looking for a fun filled camping adventure to challenge and build confidence or simply an offsite base for self-led activities or workshops, we cater for a range of groups and requirements.

TEAMWORK, DISCOVERY,
EDUCATION AND FUN

What we offer:

The instructor-led activities at Whiteley Woods make full use of our leafy woodland setting and are designed to encourage team building and improve communication skills.

With plenty of space, we can accommodate up to 274 people, giving schools their own area and offering activities exclusively for your pupils to experience together.

Where we're based:

Whiteley Woods is set on nine acres of beautiful woodland, just a stone's throw from Sheffield city centre and on the edge of the Peak District.

You'll find us just off the A625, about five miles away from the city centre. For full directions, please refer to our website.

Where you'll stay:

Whether you're looking to hire rooms by the hour, day or for residential trips, we've got a range of accommodation options.

We have three self-catered residential facilities, Plimsoll, Renwick and Goodwin, suitable for residential stays all year round, with fully equipped kitchens and central heating.

We also have four campsites, each able to accommodate up to 55 people and all equipped with a solid wet weather shelter and access to toilets and showers.

Primary

Left: Archery
Right: The unique Cavebus

- A great location for outdoor-based learning and activities, perfect for engaging and inspiring younger children
- Ideal for residential trips, day visits or overnight stays
- Lots of natural resources and wildlife for hands-on exploration

"We have been in a cave bus, on go karts, done archery, been in an adventure playground, been to Forge Dam and had a campfire.

A big thank you to the staff at Whiteley Woods for looking after us so well."

Watercliffe Meadow Primary School, Sheffield

Secondary

Left: Kayaks on site
Right: One of our campsites

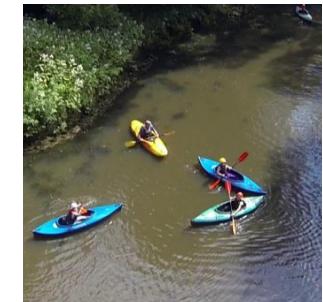

- Excellent base for DofE expeditions
- Support GCSE and A-level learning with onsite activities tailored to your curriculum
- Offsite residential to assist with learning in subjects such as Geography, Arts, Biology and many more

"The organisation of equipment was excellent. Due to the weather conditions, alternate advice was given to make the best use of facilities like the indoor fire."

Sheffield school

Further education

Left: Kayaking
Right: Team building crate challenge

- University-level workshops and field experiences that align with coursework and research interests
- Opportunities for students to conduct projects in an outdoor, off-campus setting
- Promote team building skills in workshop days and special events

"The OAC has provided an excellent learning environment for undergraduate students... I would whole heartedly recommend the venue for those wishing to offer students a stimulating learning experience within the natural environment."

Sheffield Hallam University
