

# Spring Newsletter

Welcome to our Spring newsletter. As we go into our busiest time of the year, we are grateful to Rob and the team who work so hard to get our site ready for all our visitors. Evening sessions are well underway, and it's great to have the site full of excited young people having lots of fun!

We're sad to be losing our Centre Assistant Amber, but so pleased that she's heading off abroad to do a Masters Degree. Many thanks to Amber for being a valued part of our team. We're pleased that Nat has joined us as our new Centre Assistant, do say hello to him next time you visit!

Looking ahead, we are planning to open our gates for another Heritage Open Day in September. Visitors can book for a free guided tour of the site to learn more about our history, and refreshments will be on sale. Previous events have been a great way to engage with our local community. Watch out for more information, and how to book, over the next few months.

We look forward to welcoming you to Whiteley Woods soon. Enjoy the adventures and fun, and take a moment to take in the lovely nature and wildlife of our beautiful site.

Thank you for your continued support!

Helen and Jill  
Joint Chairs of Trustees

## Booking information

We have updated our [online booking form](#) which is available on our [website](#). We would like all enquiries to be made using this form as it helps us manage bookings more efficiently. If you need any support you can still drop us an email or speak to a member of staff while you're on site.

We would appreciate it if all groups who are here for evening visits would fill in an attendance slip which are available from the box on the office door, so we can update costs and booking information if necessary.

## Goodbye and Good Luck to Amber!

We've loved having Amber as part of the Whiteley Woods OAC team and wish her all the best for her next adventure in Estonia!

*"This year at Whiteley Woods has been lovely! I have really enjoyed seeing the site shift through all the seasons and meeting the different groups that enjoy the beautiful grounds and nature here. I have learnt all sorts about everything from building maintenance, to ducklings, to wide games. It's been lots of fun, and super rewarding working with the team, the volunteers, and the trustees. I will miss it lots!"*

## Tell us what you think!

Our new online Feedback Forms are now available. There is one for group leaders and one for young people who are old enough to have access to electronic devices. Feedback is really important in helping us give young people brilliant adventures at Whiteley Woods OAC, so please take a few minutes to fill one in after your visit.

QR codes are posted around the site so you can access the forms!
